

If Our Bodies Could Talk: Operating and Maintaining a Human Body (Paperback)

Filesize: 5.62 MB

Reviews

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.

(Prof. Alvis Wuckert)

IF OUR BODIES COULD TALK: OPERATING AND MAINTAINING A HUMAN BODY (PAPERBACK)**DOWNLOAD**

Anchor Books, United States, 2017. Paperback. Condition: New. Reprint. Language: English. Brand new Book. "If you want to understand the strange workings of the human body, and the future of medicine, you must read this illuminating, engaging book." --Siddhartha Mukherjee, author of *The Gene* In 2014, James Hamblin launched a series of videos for *The Atlantic* called "If Our Bodies Could Talk." With it, the doctor-turned-journalist established himself as a seriously entertaining authority in the field of health. Now, in illuminating and genuinely funny prose, Hamblin explores the human stories behind health questions that never seem to go away--and which tend to be mischaracterized and oversimplified by marketing and news media. He covers topics such as sleep, aging, diet, and much more: - Can I "boost" my immune system? - Does caffeine make me live longer? - Do we still not know if cell phones cause cancer? - How much sleep do I actually need? - Is there any harm in taking a multivitamin? - Is life long enough? In considering these questions, Hamblin draws from his own medical training as well from hundreds of interviews with distinguished scientists and medical practitioners. He translates the (traditionally boring) textbook of human anatomy and physiology into accessible, engaging, socially contextualized, up-to-the-moment answers. They offer clarity, examine the limits of our certainty, and ultimately help readers worry less about things that don't really matter. *If Our Bodies Could Talk* is a comprehensive, illustrated guide that entertains and educates in equal doses.
